The Language Institute  
Phranakhon Rajabhat University

**PHRANAKHON RAJABHAT UNIVERSITY**  
The Language Institute

## Introduction

Phranakhon Rajabaht University is located at the outskirts of Bangkok. It is a local university that focuses on creating ethical values along with the bodies of knowledge and preserving the unique culture of Thai people. PNRU is also known as one of the oldest university in Thailand that produces quality graduates and professionals in different fields of expertise.

## Why PNRU?

Phranakhon Rajabaht University is located at the city of Bangkok. It is 45 minute- drive from Suvarnabhumi International Airport and 10 minute- drive from Don Muang Airport. It has a friendly environment and has a panoramic display of culture preservation that is highly noticeable due to the presence of cultural structure and amenities. PNRU is also close to different tourist destinations across Bangkok, making it a suitable place to have a training, study, and leisure at the same time.
